4. [] Briefed Chairman Lucien Nedzi, Intelligence Operations Subcommittee, House Armed Services Committee, regarding Chinese strategic missile developments, Soviet aircraft carrier, and Soviet military shipments to Syria. Nedzi said he recalled our earlier briefings and forecasts about the Chinese ICBM program, and the current information fully confirmed these estimates.

6. [] Received a call from Ralph Preston, House Appropriations Committee staff, who told me that he has had no request this morning for review of the transcript of the Director's briefing of the combined Defense and Military Construction Subcommittees of yesterday. The transcript will be retained here in Legislative Counsel for safekeeping.

25X1

7. [] Received a call from Pete Murphy, House Appropriations Committee staff, who requested advice on proper address for the Vice Speaker of the House of Representatives, government of Korea, for the Chairman. The information was obtained from George Carver, SAVA, and relayed to Murphy.
